

Team Facilitation

For Strategy, Alignment, and Innovation

Sustainable organizations need actionable plans. We work with leaders and teams to help them craft, align, and activate strategies to overcome challenges and meet priorities.

SPECIALIZING IN:

- ✓ Strategic planning
- ✓ Leadership succession planning
- ✓ Culture building for employee recruitment and retention
- ✓ Customer journey mapping and experience design
- ✓ Communicating and managing change
- ✓ Brand discovery and positioning
- ✓ Mission and vision development
- ✓ Rebranding strategy
- ✓ Team building and collaboration
- ✓ Goal setting and alignment
- ✓ SWOT analysis development
- ✓ Competitor and market analysis
- ✓ Crisis response and communication strategy
- ✓ Idea brainstorming

Facilitation services are offered as 1/2 day or full-day sessions, can be delivered in person or online, and include a strategic kick-off meeting and a follow-up action plan.

ABOUT YOUR TEAM

3fold Communication's facilitation team has experience working with government, political, nonprofit, entrepreneurial start-up, and Fortune 100 companies developing the internal and external strategies they need to be sustainable in a changing and competitive marketplace. With an emphasis on clear communication, cooperative collaboration, and actionable planning, we help leaders, teams, and stakeholders understand each other's perspectives, needs, and challenges and align them to meet priorities and drive growth.
